The review petition is at the instance of the writ petitioner in W.P.(C) 832/04. By the judgment sought to be reviewed, this Court issued a direction to the second respondent to pass appropriate orders in the matter of reversion to the parent department. It is the contention of the petitioner that he had given option for deployment to the Local Self Government Department. These are all matters for the petitioner to pursue in appeal, in case he is still aggrieved. There is no merit in the review petition. It is dismissed.
